Dear Melissa:

I wanted to take a moment to extend a formal thank you for your wonderful contribution to the Keene State College Concert Band concert last week. I am sure you received a large number of compliments, as I have, on your behalf.

I have wanted to do the Lloyd Webber "Pie Jesu" for years. Because you and Kim were available and willing to perform it with us, it seem like the right time to do it. It certainly was well received and in some folks mind was one of the high points of the concert. I agree with these people wholeheartedly.

As you now prepare to leave us, I hope you know that we will be happy to provide you with recommendations of any kind to advance your career. It is little enough for us to do for you considering all you have done for the department.

Once again, thank you for your recent performance and the many other contributions you have made and are making to Keene State College.

All the best,

A handwritten signature in black ink that reads "James Chesebrough".
